Ryan's solo exhibition opens in Columbus

August 24, 2017

Master of Fine Arts candidate Courtney Ryan's solo exhibition "Domestic Consumption" is on view at Columbus State University's Art Lab gallery from Aug. 22 to Sept. 23, 2017. Ryan's work investigates the excessive and conspicuous consumption of domestic commodities. Through the use of ceramics, she creates sculptures of domestic spaces decomposing and returning to nature. This exhibition features ceramic sculptures on hand-cut log pedestals as well as ceramic sculptures on the wall and on shelving. An artist talk and closing reception are slated for Sept. 23 from 5:30 – 7:30 p.m. at the Seaboard Depot Studio Building, Art Lab gallery, 941 Front Avenue in Columbus, Georgia.
